Dear Families,

Welcome to kindergarten at McKinley! We have the privilege of working with our newest Mountain Lions students at the most fascinating and receptive time of their lives. Kindergarteners want and need a chance to learn through exploring, questioning, challenging, and wondering. At McKinley, we take pride in offering children the opportunity to truly enjoy being five-year-olds!

The kindergarten day follows the same bell schedule as grades 1-5, and provides a rich, satisfying and flexible program. This allows our five-year-olds to grow socially, intellectually, and physically.

We are already looking forward to a wonderful, new school year beginning in September. Please call if you have any questions.

Warmly,

  
Michelle Nelson, Principal
